12-14 July 2019

Palestra Angelini - Piazzale S. Antonio

## Regulations

**Who qualifies** – Open to all players independently of their rating, up to a maximum 240 players. All players who lack Fide rating are required to prove their playing strength by showing an official document issued by their national Federation. Players qualify for tournaments based on their Fide rating as published on 1.7.2019:

	qualifying rating
<b>A Tournament - Elite</b>	1900-2900
<b>B Tournament - Challenge</b>	1600-2000
<b>C Tournament - Rising</b>	0-1700

Players rated between 1900 and 2000 can enter the A or the B tournament. Players rated between 1600 and 1700 can enter the B or the C tournament. The choice must be made at the time of entry and cannot be modified, unless the latest rating list places the player in a different tournament.

**Applicable regulation** – FIDE and Italian Chess Federation regulations apply. Please note that a single bye is possible in the first three rounds, provided the Chief Arbiter is informed BEFORE the start of the tournament

**Pairings** – The tournament is a 6-round event, with pairings according to the Swiss System.

**Rate of play** – 90' + 30" increment from move one. Dresden rule does not apply (there is a 60 minutes tolerance).

**Italian Privacy Law** – Entering implies full acceptance of all rules and regulations herein, as also the processing of your personal data inasmuch as required for tournament purposes, pursuant to Italian Law Decree no. 196/2003.

**Changes** – The Organizing Committee retains the right to introduce any (last minute) changes to the programme in the brochure in the best interest of the tournament and in the event of force majeure. Any and all anticipated changes shall be notified on the tournament's website.

## ABOUT BERGAMO

You might be surprised to learn that Bergamo is one of Italy's finest art cities. On our website [bergamo.caissa.it](http://bergamo.caissa.it) we cared to share a couple very interesting videos showing part of the city's magic. Please do watch them. Although being next to Milan, Bergamo has an international airport of its own (Orio al Serio) which is served by Ryanair and other low cost companies.

## Registration

All players are required to register in advance. Please remember that registration fees are incremental in time and non-returnable.

A B C tournaments	on or before 30.6	on or before 7.7	on or before 10.7
Adults	€ 55	€ 65	€ 75
Over 65	€ 45	€ 55	€ 65
U14	€ 25	€ 35	€ 40

The easiest way to enter the tournament is via our website **<http://bergamo.caissa.it>**. You will need to create an account by entering all required data (tax code is only required for Italian citizens, so you can enter some casual digits to bypass the system's checks), and then select your tournament. At the end of the procedure, you can opt to pay your fee by Visa/Mastercard credit card via our secure web server (total transaction costs amount to € 2,50). You will receive a confirmation of your successful registration via e-mail. Although less convenient, a bank transfer is also possible. Please issue payment to:

**ASD Caissa Italia** (Via Silvagni 21 40137 Bologna)  
BCC Felsinea – Filiale di San Lazzaro  
IBAN Code IT80S0847237072040000040904  
SWIFT/BIC **CCRTIT2TSEL**

Object of payment: "Bergamo Chess Open 2019 [tournament name]".

Please send proof of payment via email.

## Multiple Registrations

If you wish to register more than one person via the website, then you should create separate accounts with different e-mail addresses. **It is not possible to register two different players with a single account.**

However, it is indeed possible to make a single bank transfer for more players. Should you opt for this possibility, please remember to send in an email with proof of payment and the names of the players you paid the entry fee for: the data provided by the banks are not always perfect, so that this would be the only way to reconcile payments and players. Also, to avoid any possible doubt, please bring a copy of your receipt with you in the playing hall.

## Confirming Your Registration

Your registration needs to be confirmed on **July 11** (and only on July 11). You can do so by sending an email message at **[bergamo@caissa.it](mailto:bergamo@caissa.it)** by 7 pm with the following subject: 'CONFIRMATION OF ENTRY'. Please specify the names of all players you wish to confirm. It is also possible to confirm at the venue on July 12, but solely between 8:00 and 8.25 AM. **No exceptions will be granted.** If a confirmation is not received either via email or before 8:25, the player will enter the tournament on round 2.
